Why Sun Canyon

SIMPLE

We offer business products that provide value to your operation and solutions that will grow with your business.

SECURE

With a dedicated security team investing in top resources, we've made it our number one priority to keep your business information safe and secure from potential cyber threats.

CONVENIENT

Easily monitor your business account online through Sun Canyon Mobile App or with Cash Management.

MANAGEABLE

With Sun Canyon Treasury Management services, easily manage your cash flow, account activity and utilize up-to-date technology for all your business needs.

STRENGTH & SERVICE

Sun Canyon Bank is the western division of one of the top privately-owned banks in the nation.

At Sun Canyon Bank, we know what it takes to run a successful business. Whatever the size of your business, we have an account that's right for you.

Small Business Checking

Small Business Checking is designed for businesses that typically have less than a total of 200 transactions per month and need basic checking services.

- \$100 to open
- No monthly fee if average monthly balance is \$250 or more; otherwise \$8 per statement cycle
- Free eStatements

Commercial Checking

Commercial Checking is designed for mid-to-large sized businesses with greater checking account activity, a higher daily balance and more extensive banking needs.

- \$100 to open
- No monthly fee if average monthly balance is \$7,500 or more; otherwise \$14 per statement cycle
- Free eStatements

Business Analysis

With a Business Analysis Checking, your business will gain access to more advanced banking services and management tools. Any Sun Canyon Business Checking can upgrade to a Business Analysis account at any time. See a Sun Canyon Treasury Management Specialist to set up a free business analysis of your account.

- Monthly fee is based on account analysis
- An earnings credit may be applied to offset the price of account services

Treasury Management

Whether you have a small business or a large corporation, it's important to manage your cash flow and have access to up-to-date technology for all your business needs.

Company Benefits:

- Digital banking and account management tools
- Manage and streamline your business's payment processes
